

Dear Parent or Guardian,

I wanted to thank you and your student for participating in our Rescue Readers Program! Here at Rescue Ranch we are always excited when a student decides to participate in a program that will have a direct, beneficial impact on the animals they love to see and interact with while also being able to improve their own education. Rescue Ranch is a non-profit organization that relies heavily upon the generous support of the community to provide and care for our Animal Ambassadors. The Ranch offers a multitude of humane education programs, and visits schools and community centers in the area to help spread respect for all animals, responsible pet ownership, and wildlife conservation. We believe that through education children will go on to make a positive change in the lives of animals; whether small or large, wild or tame we know that children are the key to providing excellent animal care in the future.

We are excited and thankful that your child will be reading to help our animals! Please ensure that your child solicits pledges safely, and does not approach strangers without your presence. While your child is reading, it may be helpful for them to keep a reading log in order to keep track of the amount of pages they read. When pledges have been collected, please either bring or mail them to the Ranch along with the sponsor sheet. If your child is participating in the Rescue Readers Read-a-Thon as part of their class or organization, please return the pledges and sponsor sheet to your child's teacher or group leader. Please feel free to contact us with any questions or concerns.

Sincerely,
Allyson Floyd
